M4tK:
Music 4 the Kids

"Every child has a voice.
We help them discover it."

"M4tK is one of the best classes
ever. I like it here because we
can express ourselves...if we
have to say something, we can
say it. No one judges, no one
laughs. They will understand it."
-Miriam

"All the songs that we have
made lift your spirit up."
-Le'Nesha

"I sing to myself when
I paint, and that music gives
me ideas. I love writing songs
about what is happening in my
life and in the world."
-Zach

"This class is somewhere
safe, somewhere I can be
myself, somewhere I can
trust somebody."
-Coraima

2009 Coach of the Year: Music 4 the Kids

Music 4 the Kids (M4tK) was created by singer-songwriter Paula Ferraro to help children discover themselves and relate to the world around them in a more empathetic way. M4tK provides innovative musical and creative instruction to kids who would otherwise not have access to it. The children create music which is inspired by their own personal experiences, allowing them to share the healing gift of song with others.

Music 4 the Kids arose from Paula's conviction that everyone has a responsibility to help young people overcome their struggles and realize their dreams. Over the past several years, Paula has brought the M4tk program to kids throughout New York and Los Angeles. The program has also been implemented with school districts, church groups and most recently with CoachArt.

CoachArt is fortunate to partner with Paula and Music 4 the Kids to provide our patients and their siblings with an unforgettable music making experience. We are proud to announce Music 4 the Kids as the recipient of the 2009 Coach of the Year Award and are honored to present a performance from CoachArt's talented M4tK musicians at the Champions Awards Dinner.
